This man is ALL over the place  
"spaz/spastic" is appropriate for him. He  
looks like this in person and conversations  
are weird. Lots of issues.

Do you care if I ask what weird  
conversations you guys had? Without  
divulging too much that would give  
away your identity

Ya something is off... I think he is spraying  
and praying lol. Basically just liking  
everyone on hinge and adding on  
insta/DM'ing hoping something will stick.  
Not sure that's a great strategy since this  
group exists and we all talk- seems like he's  
just matching with every girl in nashville but  
not following through with any dates.
